**Part X - FIN 48 Footnote**

Union, Chatuge, the Ambulance Service, the Union General Affiliated Services, and the North Carolina Affiliated Services are tax exempt under Section 501(a) as organizations described under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended.

The Dialysis Clinic is organized under Georgia law and Internal Revenue Code (IRC) as a limited liability company (LLC). The Dialysis Clinic is taxed as a partnership under federal and state law and is therefore not subject to income taxation. The Corporation is the sole owner of the LLC at April 30, 2019. The Corporation's income from the Dialysis Clinic is considered related business income and therefore is not subject to tax.

**Part XIII Supplemental Information** (continued)

Public Inspection Copy

The Corporation applies accounting policies that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination, by the relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, the Corporation only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from the disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Based on the results of management's evaluation, no liability is recognized in the accompanying balance sheet for unrecognized income tax positions. Further, no interest or penalties have been accrued or charged to expense as of April 30, 2019 and 2018 or for the years then ended. The Corporation's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns

Chatuge Regional Hospital ("CRH") serves a generally rural, mountainous area and is the sole hospital in Towns county. Due to the mountainous terrain and being bounded by the Chattahoochee National Forest and Lake Chatuge, Towns County and its neighboring Clay County, NC have very remote communities from which access to medical care can literally be more than an hour away in some cases.

Towns County attracts many visitors for camping, boating, hiking, fishing and hunting, as well as bicyclists and motorcyclists, which often lead to serious injury that the emergency department must be prepared to meet.

Furthermore, CRH is a critical access hospital for the residents of Towns County, GA, and Clay County, NC. Significant portions of the resident population are Medicare and Medicaid beneficiaries. Towns County is deemed to have a medically underserved population (MUP) by the Georgia Department of Community Health.

Form 990, Part III, Line 4a - First Accomplishment

Chatuge Regional Hospital (CRH), a 501(c)(3) healthcare organization, takes a proactive approach to meet community health needs, the organization's tax-exemption requirements and offers community benefit programs and services which result in a positive impact on community health.

CRH and Chatuge Regional Nursing Home (CRNH) have a vision to be the "first choice" provider of comprehensive medical services in our area. We value our patients and residents and believe they are our most important responsibility. We shall always seek to meet the physical, emotional, educational, and spiritual needs of our patients and their families. We value our medical staff and will seek ways to help them improve professionally and facilitate the practice of medicine. We value our employees and shall treat each other with courtesy, fairness, respect, and integrity. We shall work as a team to do our best to promote our mission and fulfill our vision. We value our community. We are committed to the treatment and care of our patients and promotion of health and wellness in our community. We will confront all ethical and moral health-related issues necessary to enhance the quality of life in our community. We value quality care and will seek to deliver customer-focused, cost efficient services with compassion and caring.

CRH was deemed to be a critical access hospital by the Centers for Medicare and Medicaid Services (CMS), effective May 1, 2002, and by the Georgia Department of Community Health (DCH).

CRH is the only acute care hospital in Towns County, Georgia. CRH is limited to 25 acute and intensive care medical/surgical beds. These beds

are also used for short-term skilled nursing care. Outpatient services include radiology, laboratory and other diagnostic services, rehabilitation services, and 24/7 emergency medical services.

CRNH is the only nursing facility in the county providing skilled and intermediate levels of long-term care. CRNH is licensed for 112 beds and consistently has a waiting list for admissions. A majority of the residents of CRNH are Medicare and Medicaid beneficiaries.

It is a long-established policy of CRH to provide quality care for its patients regardless of their financial circumstances. Qualification for hospital indigent care is set at 125% of the current Federal Poverty Guidelines and is based on size of the family unit. CRH and CRNH also provide free or reduced cost care to all eligible persons requesting charity care assistance. For emergency medical services, including active labor, no person will be denied care due to an inability to pay for services. CRH and CRNH participate in Medicare, Medicaid, Peachcare, Tricare, and/or other government-sponsored health care programs.

CRH, in conjunction with its sister hospital, Union General Hospital, are the only tax-exempt, non-profit hospitals within the immediate eight-county area of the north central and northeast Georgia mountains. Due to the mountainous terrain and being bounded by the Chattahoochee National Forest and Lake Chatuge, Towns County and its neighboring Clay County, NC, have several very remote communities from which access to medical care can literally be more than an hour away in some cases.

Towns County attracts many visitors for camping, hiking, fishing and hunting. The twisting mountain roads attract bicyclists and motorcyclists throughout the spring, summer and fall seasons. These activities many times result in medical emergencies, some very serious, for which the

emergency department of CRH must be prepared.

CRH established a family medical practice in Hayesville, NC (Clay County) to help meet the medically underserved in the community. The medical office is staffed with family nurse practitioners and supported by physicians from CRH's emergency department.
