Part X - FIN 48 Footnote

Union, Chatuge, the Ambulance Service, the Union General Affiliated Services, and the North Carolina Affiliated Services are tax exempt under Section 501(a) as organizations described under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended.

The Dialysis Clinic is organized under Georgia law and Internal Revenue Code (IRC) as a limited liability company (LLC). The Dialysis Clinic is taxed as a partnership under federal and state law and is therefore not subject to income taxation. The Corporation is the sole owner of the LLC at April 30, 2019. The Corporation's income from the Dialysis Clinic is considered related business income and therefore is not subject to tax.

Part XIII Supplemental Information (continued)

Public Inspection Copy

The Corporation applies accounting policies that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination, by the relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, the Corporation only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from the disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Based on the results of management's evaluation, no liability is recognized in the accompanying balance sheet for unrecognized income tax positions. Further, no interest or penalties have been accrued or charged to expense as of April 30, 2019 and 2018 or for the years then ended. The Corporation's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

Georgia. This includes the wages and benefits for its emergency medical technicians and paramedics, medical and other supplies, acquisition and maintenance for emergency transport vehicles, and facilities for base operations. Due to the mountainous area, the twisting mountain roads attract bicyclists and motorcyclists throughout the spring, summer and fall seasons. These activities sometimes result in medical emergencies, some very serious, to which the emergency medical services of UGH must respond. UGH provides non-emergency transport under contract with the state of Georgia to community residents who are without transportation to routine scheduled doctor and other medical appointments. UGH provides its helipad to support air ambulance services.

The Union County Nursing Home (UCNH) is the only nursing facility in the county providing skilled and intermediate levels of long-term care. UCNH is licensed for 150 beds and consistently has a waiting list for admissions. A majority of the residents of UCNH are Medicare and Medicaid beneficiaries.

The organization promotes wellness in the community by sponsoring health fairs, diabetes awareness clinics, an affordable fitness center, and educational and testing opportunities for the general public. The organization provides for housing for patient's families when patients are hospitalized for an extended period of time through its Glenda Gooch House.
